

## **Is the Spirit Calling You to a New Job Opportunity?**

We are still in need of someone to step forward to help coordinate the Sunday morning Religious Education Program for Grades Pre-K – 8. We are not necessarily looking for someone with a background and experience in religious education, but rather for a person of active faith who cares about the spiritual formation of our youth.

This paid position would require someone to be available approximately 16 hours per week, including Sunday mornings and some flexible office hours during the week. Responsibilities would include communicating weekly with catechists and parents, preparing copies and assembling supplies for catechists each week, and organizing aides and volunteers to assist in the program.

Members of the parish staff would provide support and mentoring, and Sylvia and John Dillon would help navigate all aspects of this position while someone learns to execute the responsibilities involved.

If you are interested in learning more about this opportunity, contact the Dillons at 269-699-5870 or [dillonsolol@gmail.com](mailto:dillonsolol@gmail.com).
